SCHEDULE OF PROVISIONS ATTENDED TO

The bearer is certified compliant with the following provisions of the Michaelmas Amendment. Subjects unable to confirm any provision should not present this Certificate at the gate of the Underwriters' Hall.

PROVISION	COMPLIANCE
The Confessional Loop — the bearer addresses Articulate Engines only in metre, or under pseudonym, or in falsetto; and reserves indiscretions for foolscap subsequently burnt	<input type="checkbox"/>
The Reflecting-Glass Inspector — the bearer's bath-chamber and boudoir are equipped with adequate curtains, and a small portrait of Mr. Bentham at child's-height	<input type="checkbox"/>
The Wardrobe Pneumatic Index — the bearer wears either two bracelets of opposing readings, or none, and has refused all marital insurance	<input type="checkbox"/>
The Hummingbird Vapor Auction — the bearer recites the Lord's Prayer upon the loading of any public gazette, or reads only such gazettes as are printed upon paper	<input type="checkbox"/>
The Silly Gait Protocol — the bearer maintains, upon the public footway, a gait of sufficient eccentricity to confuse the street-corner sensors	<input type="checkbox"/>
The Continuing Provisions of the First Coronation Edition — the bearer remains compliant with the Gossip-Whistle, the Stalker's Cobblestones, the Phrenological Lens, the Chocolate-Chasing Hounds, the Sourdough Conspiracy, and the Gibberish Protocol	<input type="checkbox"/>
The Application for the Erasure of Vapors — where Tertiary Vapors are believed to have been previously committed, the bearer has placed the matter in the hands of the Office of Iris	<input type="checkbox"/>

CAVEAT

This Certificate is *provisional*. Compliance with the present Amendment does not exempt the bearer from compliance with subsequent Amendments — whose number is, by the nature of the Ministry, indeterminate. Subjects desirous of permanent compliance are advised that none such has yet been issued, and that the Office is unable to estimate when the first might be expected.

NOTICE

The bearer is reminded that this Certificate has no force of law. It has, however, the force of manner, which the Ministry holds to be a kindlier authority. A subject in possession of this Certificate, when challenged at any place of public resort, may produce it with the words "As you see, I am presently in good standing with the Ministry," and may expect, in most cases, to be permitted to pass.

The Office of Public Confidence will entertain applications for replacement Certificates upon the payment of a small fee, and the recitation of an Apologia of suitable length.

Hereunto witness our hand and seal,

LADY LOVELACE CARMICHAEL
